

October 2008

To Whom It May Concern:

The Mountain View High School Nordic Ski Team is asking for financial support for the 2008-2009 season. The team is a non-funded school sport with no paid staff at any level of the program. Your financial support will help us make this program available to any student who wants to try cross country ski racing. This year we anticipate 60 students on our team. The team's expenses include transportation, uniforms, trail passes, and scholarships for those who cannot afford the sports participation fee.

This winter the team will produce a team poster that will be displayed at Bend area businesses. We would like to honor you, our sponsor, by including you in one of our medal-winning categories:

- GOLD - donations \$500 and above,
- SILVER - donations between \$150 and \$499 and
- BRONZE - donations up to \$149.

Our poster will go to print in January, so please send your donation by January 15, 2009.

Please consider donations for as little as \$10 and, of course, as large an amount as you like. Any amount of donation is welcome. Fill out the form below and attach it to your check to receive a receipt for your tax-deductible donation.

Make checks payable to: **MVHS Nordic Ski Team**
 Mail them to: Sarah Swaney
 MVHS Nordic Team Treasurer

We appreciate your support.

Sincerely,
Mountain View Nordic Ski Team
